

# 2023 CAPABILITY STATEMENT

Aviation Construction & Electric, LLC, (ACE) performs work for NAVAID and General Construction services for the FAA, Parsons, and direct to Airport Authorities. ACE is a Domestic Owned, Georgia Domiciled, Small Business corporation. ACE uses US national employees and US domestic subcontractors only. NAICS codes listed below are typically completed with in-house employees. Asphalt Paving, Structural Steel Erection, and Asbestos Abatement are the primary subcontracted items. ACE is licensed in Georgia, Florida and North Carolina. We have over 35 years in Airfield and NAVAID experience. Our geographical area is Nationwide.

## Type of Projects performed:

### Approach Lighting System

ALS/MALS: Approach Lighting Systems with Sequenced Flashers

REIL: Runway End Identifier Lights

PAPI: Precision Approach Path Indicator

### Instrument Lighting Systems

LOC: Localizer

GS: Glide Slope

DME: Distance Measuring Equipment

### Communications

RTR: Radio Transmitter/Receiver

RCAG: Radio Communications Air/Ground

FOC: Fiber Optic Cable Backbone

### NAVIGATIONAL AIDS

VOR: Very High Frequency Omni Directional Range

LLWAS: Low Level Wind Shear Alert System

RVR: Runway Visual Range Detection

### Airport Runway Lighting and Signage

HIRL: High Intensity Runway Lights

MIRL: Medium Intensity Runway Lights

Airfield Lighting Vault

### Utilities

Power/Communication Ductbanks

Standby Generators and Fuel Tanks

### Bonding:

Great American Insurance Company, Best Rating A+ (Superior)

20 Million individual project

35 Million Aggregate

### Insurance Coverage:

Comprehensive General Liability: \$10,000,000 per occurrence

Personal Injury Liability: \$5,000,000 per occurrence

Business Auto Liability: \$1,000,000 per occurrence

Excess Auto: \$10,000,000 above Business Auto Liability

Installation Floater: \$1,500,000 per project

Equipment Floater: \$250,000 per item per occurrence

Workers Comp: \$1,000,000 or Minimum State Statutory Limits.

### NAICS Codes:

238210 - Electrical Contractor

221122 - Electric Power Distribution

236210 - Industrial Building Construction

236220 - Commercial and Institutional Building Construction

237130 - Power and Comm. Line and Related Structures

237310 - Highway, Street, and Bridge Construction

238110 - Poured Concrete Foundation and Structure Contractors

238910 - Site Preparation Contractor

238990 - Other Specialty Trade Contractors

### Corporate Data

Cage Code: 7FHMO

Duns #: 079917663

EIN #: 47-4596878

Organization: LLC of Georgia

### Small Business

## Our Mission

To build the best projects possible through professional integrity, quality workmanship, honesty and fairness. We're here to do the right thing so that you feel confident in your decision to work with us.

## Our Values

Do things right the first time.

Recognize the people who do good work.

Follow through on commitments.

Believe in the team.

Be fully committed to do what is best for the team.

Be accepting of a wide variety of cultures and backgrounds.

## Management

### Stephane Paul-Hus, President

35 years in the Airfield and NAVAIDS industry. 18 years Master Electrician Mr. Paul-Hus has been in the Airfield and NAVAIDS industry since 1985.

He worked on or managed over \$100,000,000.00 of Airfield and NAVAID projects. Projects included Denver Airport, McCarran Airport, Dallas Fort Worth Airport, Louisville Airport, Orlando Airport, Atlanta Airport, Miami Airport, Fort Lauderdale Airport, LaGuardia Airport, and others.

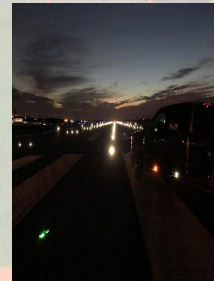

### Luis Morejon, Project Manager

38 years in the Airfield and NAVAIDS industry. 18 years Master Electrician He worked on or managed over \$350,000,000.00 of Airfield, NAVAID, Fiber and Solar projects.

### Thomas O'Shea, Project Manager

17 years in the Airfield and NAVAIDS industry. 40 years Heavy Underground. He worked on or managed over \$30,000,000.00 of Airfield, NAVAID, Fiber and ELD projects.

**Aviation Construction & Electric, LLC, has completed over \$25,000,000 in NAVAIDS projects.**
